## 02: Nomination Category

Please indicate which category you are nominating for:

**Healthcare Innovator:** Healthcare professional (i.e., nurse, PA, physician) who provides extraordinary care and/or education for people with vitiligo. Types of work recognized could include dedication, or care, that goes “above and beyond” for patients.

**Rising Innovator:** Promising resident, medical student or researcher who focuses on advancing research in vitiligo. This person has demonstrated significant contributions to advancing the understanding of vitiligo and/or disease management. Types of work recognized could include authoring, or presenting relevant vitiligo research.

**Community Innovator:** An advocate or non-medical individual who has made a significant positive impact in supporting, or caring for, people with vitiligo. Types of work recognized could include significant advocating efforts on behalf of the community, impactfully driving awareness of vitiligo, or even being a caregiver to a person living with vitiligo in a meaningful way.

## 03: Project Overview

**IMPORTANT!** An independent judging panel will review your written explanation of why your nominee should be recognized. Please describe your nominee's actions and accomplishments in as much detail as possible.

### **Describe Nominee's Actions & Accomplishments**

What extraordinary efforts highlight your nominee's commitment to impacting the lives of people with vitiligo? (750 words maximum)

## 04: Acknowledgments

I have read and agree to all terms as outlined above.

I attest that the responses provided in this form are true and accurate to the best of my knowledge and that the nominee will be made aware of the nomination and that the nomination will need to be approved by and compliant with any institutional rules and guidelines.
